Zoning/Codes – Jeff Burkhart

Mr. Burkhart presented a proposed Zoning Ordinance Amendment 2020-03 to allow public water pumping stations and sewer pumping stations for public sanitary sewer systems serving the residents and businesses of the township as permitted uses in all districts (along with modifications to eliminate the special exceptions to the Planning Commission) and to provide various special rules regarding such uses, including with respect to lot size, yard, coverage, lot width, lighting, screening and other standards and dimensional regulations presented for review and consideration.
