This message includes updates on the <u>COVID-19</u> response from CDC. The COVID-19 Outbreak is a rapidly evolving situation and information will be updated as it becomes available.

Considerations for Wearing Cloth Face Coverings

CDC recommends that people wear cloth face coverings in public settings when around people outside of their household, especially when other <u>social distancing</u> measures are difficult to maintain. Cloth face coverings should NOT be worn by children under the age of 2 or anyone who has trouble breathing, is unconscious, incapacitated, or otherwise unable to remove the mask without assistance.
