Londonderry Township • Dauphin County, PA

ISLAND UPDATE

During the fall of 2014 FEMA conducted a review of the Township's Floodplain Management program and determined that numerous building and development violations have occurred primarily on the islands located within the floodway.

As a result of their initial findings, FEMA issued a formal Community Assistance Visit (CAV) report to the Township in February 2015 that stated in part as follows: "the Township must visit the islands and inventory the development that exists to date to determine a baseline of existing structures ..."

Furthermore, the report required the Township to provide compliance documentation for all violations and a timeline to mitigate those violations.

FEMA also reviewed and responded to the County's Hazard Mitigation Program and identified repetitive loss properties within the County. They listed 122 repetitive loss claims within the County of which Londonderry Township had the highest number in Dauphin County, the majority of which were on the Islands. Based on their review they mandated the Township develop a mitigation strategy for these structures.

In complying with the CAV report, the Township conducted on site reviews of Beech, Poplar, Shelley including Bare's Tip, Beshore and a small portion of Hill islands in the fall and winter of 2015 in order to document the level of development and degree of compliance or non-compliance for existing island properties.

Based on that review a number of violations involving ongoing construction activity were identified and the Township systematically began working with the residents lessees and land owners in a cooperative effort to address those issues and identify what steps are needed to bring their properties into compliance with the Floodplain Development Ordinance within timelines acceptable to FEMA.

Currently, an analysis of island properties is being prepared. Those properties that are determined to be in violation of the Township's Floodplain Development Ordinance will be required to be brought into compliance. Property owners and lessees will need to engage the services of the appropriate consultants to assist them in achieving compliance with the Floodplain Development Ordinance.

REFLECTIVE SIGNS

What is the worth of your family, your home, or your life? How much would you be willing to spend to make it easier for emergency personnel to locate your home easily? Would \$20 be too much?

You may have seen those green numbered signs as you are driving around the township. Ever wonder what they are for? They are emergency reflective signs. They make it easier for emergency personnel to find your house at night.

These signs are being sold by the Londonderry Fire Company. We want to respond quickly to your call for help. Please fill out the coupon and mail it back to us today. Isn't your family, your home and your life worth it?

Congratulations!

Congratulations to Butch Retherford, who recently retired from Londonderry Township after more than 20 years of service in the Public Works Department. We wish Butch all the best and look forward to seeing him around the township!

MS4 Audit Receives High Marks

On March 10th, the Pennsylvania Department of Environmental Protection (DEP) conducted an MS4 Compliance Inspection of Londonderry Township's Municipal Separate Storm Sewer System (MS4) program. The intention of this inspection was to help ensure that the program is being administered properly.

The inspection report notes "It was clear from our meeting that Londonderry Township takes their MS4 program very seriously and in many cases they go above and beyond what is actually required. Overall, their plans and programs under the 6 Minimum Control Measures (MCMs) are by far the best of the handful of municipalities that I have inspected so far."

Londonderry Township has become a leader in South Central Pennsylvania relative to Storm Water Management. The newly formed MS4 and Environmental Department, led by Allison Funk, provides training and educational programs for other municipalities and the townships residents. Allison will be enhancing the township stormwater program during 2016 to meet the new DEP permit standards.

Spring Cleaning Sweeps In

By: Allison Funk, MS4 Environmental Specialist

Longer days, rain showers, baseball, and cleaning are just a few things that come to mind when you think about spring. And since we don't have much to say about game or weather predictions, we thought we would share some stormwater-friendly spring cleaning tips.

If you are planning any outdoor cleaning, remember to always use a broom instead of a hose to remove litter from driveways or sidewalks. Sweep litter back into your yard or into your compost pile. This prevents debris from entering a nearby creek or river. Even grass clippings and excess leaves don't belong in our streams.

Unfortunately, it is often the case that lawn care chemicals wind up washing right into local waters. There are some easy solutions to stop that from happening.

- Go natural! You may not even have to spend money on fertilizing your lawn. Mow your grass high, about 3 inches, and leave clippings on the lawn.
- If fertilization is necessary, September is the best month.
- Remember to use less. This will also help save you money, too!
- Do not apply fertilizers or pesticides within 75 feet of waterways.
- Don't apply fertilizers or pesticides when there is rain in the forecast
- Hand pick weeds when possible, and only spot treat rather than dousing the lawn.
- Try using our "Weed Be Gone" recipe:
 - o 1 gallon vinegar
 - o 2 cups Epsom salt
 - o ¼ cup dish soap

Are you planning on disposing of old paint or household cleaners? Please don't pour them out! Instead, call Dauphin County's curbside household hazardous waste program at 1-800-449-7587. This is a program available to each household for FREE, one time per year.

When poured on the ground or into an inlet, these toxins are carried by stormwater directly into a nearby creek or stream, untreated, which eventually end up in the Susquehanna River. And who wants to swim or fish with paint?

Bocce

Regular and substitute players are currently being accepted for Londonderry Township's Bocce League for summer, 2016.

We have three leagues:

1. **Monday morning** (beginning at 9:00 a.m. in May and 8:00 a.m. in June, July and August)
2. **Tuesday morning** (beginning at 9:00 a.m. in May and 8:00 a.m. in June, July and August)
3. **Tuesday evening** (at 6:00 p.m.)

Our season is May 2 through August 23.

Interested persons can sign up as an individual, as a couple, or as a team (4 players). No experience is necessary. Bocce is an easy game to learn.

For more information, call 944-6518.

Londonderry Horseshoe Pitchers Association

The Londonderry Horseshoe Pitchers Association pitches on Mondays at 6:30 p.m. at Sunset Park, six games per night, May 2nd through August 29th. New members of all ages are always welcome.

If you would like information for the 2016 season or are interested in joining please call Rich Sill at 944-2007.

Sunset Park Pavilion Rental

Sunset Park is the perfect location to host an outdoor picnic, reunion or golf outing meal.

Dauphin County Recycling Center

COMPUTERS – ELECTRONICS – APPLIANCES – DOCUMENT SHREDDING

The Dauphin County Board of Commissioners opened the Dauphin County Recycling Center (DCRC) in April 2009. The DCRC was established to offer a convenient drop off location for residents, out-of-county residents, businesses, institutions, and local governments to recycle their unwanted or obsolete electronics or appliances, old thermostats containing mercury, and on-site confidential document shredding service.

Conewago Township Recycling Center

HOUSEHOLD GOODS

Dauphin County has designated Conewago Township as the local recycling center where residents may take household goods that are recyclable. There is no permit required and no charge for using the recycling center.

An efficient way to begin a recycling program at your house is to designate an area for several trash cans or large plastic containers labeled for plastic, paper, glass and aluminum. When the containers are filled take them to the Recycling Center and sort them into the appropriate bins. This is a great way to reduce what is going to the landfills and improve our environment.

Items that may be brought to the Recycling Center are:

- Magazines
- Office Paper
- Junk Mail
- Phone Books
- Corrugated Cardboard & Box board
- Newspapers & Inserts
- Clear/Green & Brown Glass Bottles & Jars
- Aluminum & Steel Food & Beverage Cans
- Plastic Bottles (with Recycling Symbols on them)

APPLIANCES — PAINT CANS FURNITURE

Finding a place to dispose of large items such as furniture and appliances can be difficult.

A good place to start is to contact your trash hauler and inquire what items they will pick up. Most are very good about providing this service to their customers.

Another option would be to contact local scrap metal yards such as Royalton Recycling on Rte. 441 in Royalton. They will pay you for most any metal items such as refrigerators, dehumidifiers, air conditioners, washers, stoves, aluminum cans, copper, brass, etc., or call the Dauphin County Recycling Center.

Community Outreach

Londonderry Lionettes

The Londonderry Lionettes celebrated their 35th anniversary in January, 2016. The organization was established in 1981 as an auxiliary to the Londonderry Lions Club (which has since disbanded). The Lionettes perform community service projects locally, in the surrounding communities, state-wide, and internationally. They began this year by sponsoring a poetry contest for third, fourth and fifth graders at Londonderry Elementary School (see photo), and making valentines for the Alzheimer's unit at Frey Village, Meals on Wheels clients, and their adopted grandmothers.

To welcome spring, they hosted a bingo party for residents at the Interfaith Apartments in Middletown. Proposed activities for the remainder of the year include providing healthy snacks bags for Meals on Wheels clients and adopted grandmothers this spring and fall; collection of used eyeglasses (see separate article) for the Pennsylvania Lions Club and soda tabs for the Ronald McDonald House, and other projects still to be finalized.

Exciting programs for their monthly meetings have been planned, such as Life Lion, Ghost Lores & Legends of Middletown, Milton and Catherine Hershey Conservatory and Butterfly Atrium, Bee Keeping, and All About Apples.

The Lionettes began a new project in September, 2015 – Collecting plastic lids from milk, jars, water bottles, detergents, etc. for patients who cannot afford dialysis. For each 1,000 lids patients turn in, they receive a free dialysis session. Please save your plastic lids and call us to arrange delivery or pickup.

The Lionettes meet the first Wednesday of each month (except June, July, August and December) at 7:00 p.m. at Londonderry Elementary School, 260 Schoolhouse Road, Middletown.

For more information, call 944-6518. Women in Londonderry Township and the surrounding communities are invited to join us in helping others.

Londonderry Lionettes Poetry Contest Winners

Londonderry Elementary School Poetry Contest Winners were recognized recently at the Londonderry Lionettes January meeting. They were each presented with a cash prize and certificate for their efforts.

Help the Londonderry Lionettes "Support the Vision" and the "Ronald McDonald House"

Over the past 2 1/2 years, the Londonderry Lionettes have collected 384 used eyeglasses for the PA State Lions Club "Support the Vision" campaign. They continue to collect can tabs (beverage, soda or tabs from canned soup or canned goods) for the Ronald McDonald House as well. The eyeglass program through the Lions Club has helped many children & adults get the needed glasses when vision benefits are unavailable or financially out of budget.

Collection boxes for eyeglasses only have been placed at:

- Karns
- Londonderry Elementary School
- Evangelical U.M. Church

- St. Peters Lutheran Church
- Presbyterian Church
- Geyers U.M. Church
- Wesley U.M. Church
- New Beginnings Church

Collection boxes for eyeglasses and soda tabs:

- Londonderry Township Building
- Harrisburg Pike Rental.

Other sites are being sought as well. If you would like to have a collection box in your workplace, church or business to help either of these programs, please contact: Anita Housman at 756-7467 or Louise Morgan at 944-6518. Please place all eyeglass and soda tabs in separate Ziploc bags for protection during transport.

NOTE: The Lions Club can only use the eyeglasses, not the eyeglass cases. For more information on this project, please call Anita or Louise at the aforementioned numbers.

Volunteers Needed

If you have a few hours each month and a heart for helping others the V.I.P. may be something you would enjoy being involved in. Currently we are in need of drivers to take the client to and from their appointments using the VIP minivan.

Please consider helping our growing population of elderly residents by calling the VIP Office at 317-3402 for information on how you can help

Meals on Wheels

The Dauphin County Area Agency on Aging provides a well-balanced hot meal for delivery to residents of Dauphin County who are assessed by the Agency's Care Management Unit as being frail, and/or home bound because of physical, mental, or emotional disability, and without a caregiver who is able to provide meals on a regular basis.

Meals are delivered five days a week by volunteers who observe the well-being of the home bound individual receiving the meal. The volunteers are recruited by our local "Meals-on-Wheels" organization. Recipients are encouraged to make a voluntary contribution toward the cost of the meals according to their financial ability. To request home delivered meals, please call the Dauphin County Area Agency on Aging at 717-780-6130.

V.I.P. - Senior & Physically Handicapped Van Service

The V.I.P. is a van service for seniors and physically handicapped residents of Londonderry Township that provides transportation to doctor/hospital appointments, grocery stores, or places that they can't otherwise get to. (The van does not have a wheelchair lift, residents must be able to get in/out of the van without assistance.) There is no charge for this service, but donations are appreciated to help pay for the maintenance, upkeep and the purchase of a new van when it becomes necessary in the future.

If you, or someone you know, could use some help with transportation and would like more information on this service, please call 317-3402 between 10:00 a.m.-12:00 p.m., Monday – Friday.
